

## Course Credit Policy & Procedures

### Purpose

The purpose of this policy and procedure is to outline Workforce Education Institute's approach to ensuring students are provided with credit for units of competency and/or modules where they are evidenced by:

- AQF certification documentation issued by another RTO or AQF authorised issuing organisation such as a university
- Authenticated VET transcripts issued by the Registrar.

Course credit may also be awarded for RPL. The process for RPL is included in *Training and Assessment Policy & Procedure*.

This complies with Clause 1.12 and 3.5 of the Standards and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 Standard 2.

The recording of course credit is addressed in the *SC6-I Student Administration Policy & Procedures*.

## Policy

### 1. Application for Credit

- All students will be offered the opportunity to apply for credit for previously completed studies. Students can apply for Credit by completing a *Credit Transfer Application Form* and providing relevant supporting documents, including certified copies of transcripts. This may include VET transcripts or extracts issued by the Student Identifiers Registrar.
- All evidence provided as part of an application for Credit will be authenticated by Workforce Education Institute by contacting the issuing organisation to confirm the details provided on the document are valid. In the case of transcripts issued by the USI Registrar, documents will be authenticated through the USI Registry System.
- Workforce Education Institute will not require any student to repeat any unit or module which they have already been assessed as Competent unless there is a license condition or regulatory requirement that requires this.

### 2. Assessing Credit

- Where a student provides authenticated evidence of units or modules issued by another RTO or authorised issuing organisation, Workforce Education Institute will grant Credit for that unit or module where it is a unit listed in the student's course of enrolment with Workforce Education Institute.
- Where evidence has been provided of previous study being completed at another RTO, university or other authorised issuing organisation, but the unit or module is not listed in the student's course of enrolment with Workforce Education Institute, an analysis as to the equivalence of the study completed with the units in the student's enrolment with Workforce Education Institute will be undertaken.

### 3. Credit Transfer Application outcomes

- Students will be advised of the outcome of their Credit Transfer Application in writing and will be required to provide an acceptance of the credit awarded.
- Where there are significant Credits granted, this may result in a reduction of the Course fees, which will be advised at the same time.
- For international students:
  - Where Credit or RPL has been granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, this will be recorded in PRISMS and a new Confirmation of Enrolment Letter (CoE) created.
- The result of Credit Transfer will be recorded for any relevant units on the student management system. A record of acceptance of the credit must be kept for International Students for a minimum of two years.
- Students may appeal the decisions made about their Credit Transfer Application by following the *Complaints and Appeals Policy & Procedure*.
